### Introductions

Setting up officers: President: Jody Bourassa; Vice President: Krystal White; Secretary: Lori Patterson; Treasurer: Tracy Vassiliev; Box Top coordinator: Cheryl Roberts-Prior

### Goals:

Taking this year in "baby steps" in regards to fundraising, more to come! Bylaws are currently being written, and a mission statement will be written in the near future.

### Soccer/Field Hockey concessions tables:

1. Jody is going to create a "sign up" site online so that folks can just go online and add their name to run the concessions at one of the games. We are looking to have two adults per game... stay tuned for the address.
2. But, until the sign up site is created, we are still looking for parents and/or teachers to run the table at some games. If you know you're interested in selling simple things (everything for a dollar and water, candybars, and granola bars will all be ready for you to sell) send an email to our new Bulldog Booster gmail:

### JFDS Clothing sale with Wights Sporting Goods: Jody Bourassa

1. All in favor of using Wights Sporting Goods for a clothing fundraiser. Jen will inquire what type of clothing (t-shirts, hats, sweatshirts, etc.) and if something along with the Bulldog Fever logo can go on each item. Jen will report back at the Oct. meeting.

Other fundraising possibilities:

1. Box Tops--we need to get the word out, in our newsletter and Facebook page, that we are collecting, and Vanessa Young mentioned how much more effective it is when prizes are offered.
1. Hannaford Helps program--Jody is going to inquire and report back at the Oct. meeting.
2. Target Red Card Take Charge of Education (I think it's called)--Jen Neale will inquire and report back at the Oct. meeting.
3. Redemption center on Ohio Street--mentioned, but we need a contact.
4. Sam's Club--will offer gift cards for school events, not sure if anyone was going to inquire?
5. Extra Doughty gear--could we sell some of it at concessions? Cathy Hanscom will meet with student council co-advisors and Ed to see what gear could be sold.

**Next meeting: Wednesday, October 5th 6-7p.m. in the JFDS Library**

1. We're looking into having a teenage student to watch younger children. If it is possible, and we find a teen, we will put it in the next flyer going out.

**Meeting: October 5, 2016**

Minutes read and Jen Neale motioned to approve the minutes and Judi Michalik voted in favor.

Amendment added to minutes for 10/5/16: Tracy Vassiliev, JFD Boosters Treasurer, and Jody Bourassa, JFD Boosters President, will have the authorization to open a James F. Doughty Bulldog Boosters bank account at TD Bank.
